Overview

Introducing Encore by Branson Group — an exclusive release of just 6 beautifully designed luxury apartments and 6 premium townhouses, thoughtfully crafted to bring together architectural elegance, comfort, and contemporary living.

Positioned only a stone's throw from the vibrant Napier Street village, these residences offer the rare opportunity to enjoy boutique living in one of Essendon's most sought-after neighbourhoods. Cafés, restaurants, great schools, local shops and everyday conveniences are all moments away, creating a lifestyle defined by connection and ease.

Each home has been carefully designed with a focus on generous proportions, natural light and refined finishes, delivering spaces that feel both sophisticated and welcoming. Clean architectural lines, timeless materials and intelligent layouts combine to create homes that are as functional as they are beautiful.
